Dear Members

LA 2028 Paralympic Games – Sport Programme

It is with regret that we can confirm the news that CP Football has not been included in the LA2028 Paralympic Games Sport Programme.

Although this is a huge disappointment for all of us, we remain focussed on developing and improving CP Football globally. IFCPF is committed to the football players and will strive to develop opportunities for both men and women to compete internationally and improve the standard of our beautiful game.

Should you have any further queries, please contact me by e-mail at jhevers@ifcpf.com or +31 654737679.

Thank you for your ongoing support and commitment.

Yours faithfully
